LOCATION

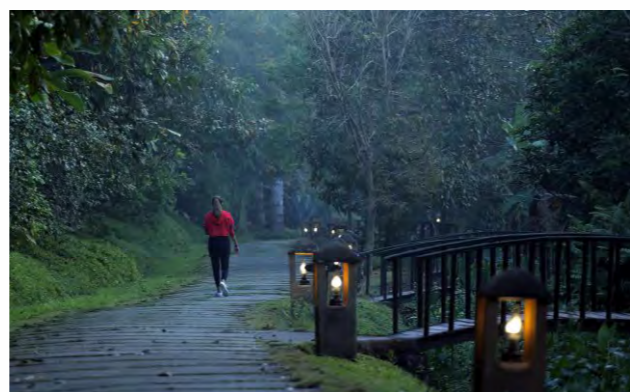

Coorg, often referred to as the "Scotland of India," is a picturesque hill station located in the state of Karnataka. Famous for its stunning natural beauty, lush greenery, and pleasant climate, Coorg is a popular destination for nature lovers and adventure enthusiasts alike. The region is home to acres of coffee plantations, cascading waterfalls, and breathtaking viewpoints that offer panoramic views of the surrounding hills and valleys.

Nestled in the Western Ghats of Karnataka, this hill station boasts a rich biodiversity that includes a variety of flora and fauna, also known for its thriving population of elephants, tigers, and other species which offers a chance to witness these majestic creatures in their natural habitat. Coorg is also known for its rich cultural heritage, with a vibrant local culture and traditions that are deeply rooted in the region's history.
